

BRINGING HOPE, CHANGING LIVES – ONE AT A TIME

www.hearttoheartorphans.org

Dear Partner in mission;

Greetings of peace and joy in the name of our Lord and Savior Jesus Christ. We wish you blessed Happiness and peace in the New Year 2015.

We encourage and invite you to be part of this noble response. We appreciate your input and pray that you continue praying and partnering with us.

It is Back to School!

We were blessed to have children resume their studies on time. We are presently taking care of more than 600 in baby care, kindergarten, primary, secondary and a few in colleges. Our major schools – Karama and Prince of Peace Primary schools are situated in Kibera and Kawangware slums respectively. We are supporting about 352 in the two schools mentioned through the North South- Aid from Norway. We have qualified teachers who go a step ahead to offer more than their teaching services to the children.

THANK YOU TeFt GROUP

We greatly appreciate our visitors, volunteers, field workers and interns who participated in various activities in the ended year 2014.

TeFt Group stands out as selfless youth who have dedicated their time to be among us since October 2014 to March this year. As they take their learning sessions with communities in Kenya, we are enjoying every bit of their time with us. They have befriended children, served them food, and prayed with families in homes where they have been visiting. You are invited to share the same experience.

OUR PROGRAMMES

NEW DEVELOPMENTS

We invite you to be part of God's compassion Heart as He reaches out to the orphaned children and vulnerable persons through the Heart to Heart Ministry.

- **Prince of Peace school in Kawangware:** The construction of the semi-permanent school structure is ongoing with the support of NSP and you are invited to be part of this initiative. (pic; The day that foundation was laid)
- **Children village:** This is an initiative of giving the very orphaned and vulnerable children hope for an ideal home environment with a loving "mother" and homestead. A team will be visiting Uganda this month for a study tour to learn more about this noble concept.
- **Secondary school support:** We are challenged to sustain the support of the students once they join secondary school and this is because the school fees are very high. We invite you to support us in helping these children go through their secondary school education.

"Heart to Heart Orphan Children"

FEEDING PROGRAMME

We have different levels in the feeding program as we have many children who truly are blessed with the food that is given. School feeding programs at Karama School at Kibera Lutheran Church, Prince of Peace Kawangware, and lunch time feeding at Kawangware church. Through the support from NSP-Aid we are feeding more than over 380 children. You are invited to join us in this initiative with Ksh. 1000 you can feed a child for a month.

HOME-BASED CARE

Pic: One of our children is covered with a nylon paper and not pampers. We have a number of families who depend mainly on the food ratio provided through Heart to Heart. To reach more of these needy cases we depend on good will and financial support. It is our request that you help us through your kind donation to reach as many vulnerable persons as possible.

Most of the families we work with are affected with HIV&AIDs pandemic. Many of the households have orphans and vulnerable children and adults who are bed ridden and have no sources of basic livelihood due to scarcity of resources.
